

SPECIAL INFORMATION AND REQUESTS

To better serve students with unique needs, CAARS will be consulting with a licensed child psychologist this year to implement classroom accommodations as we are able.

Please list any learning difficulties, medical conditions, allergies or information we should be aware of regarding your child. All information will be kept strictly confidential. If your child has an accommodation plan, such as an Individual Education Plan or 504 Plan, we'd appreciate it if you'd share it with CAARS so that we can better serve your child. Please attach the plan if applicable.

Child: _____ **Grade** _____

Food/Medicine Allergies: _____

Learning, Intellectual, Physical, or Social/Emotional differences:

Learning Challenges or Idiosyncrasies:

Photo/Video Release: CAARS often uses images of students (with and without names) in synagogue and local newsletter communications, either in print or on the internet. If you do **not** want your child(ren)'s image to be disseminated, please indicate so below. CAARS will by default assume that it has permission to use your child(ren)'s image unless it receives your express request otherwise.

I, _____, do **not** give permission for images of my child(ren),
_____, to be used in CAARS print and on-line publications.
